I am in the process of trying to develop a seal that the VGEC can use on stationary, etc. I am trying to incorporate the seal of the Episcopal Church with the seal for the Church of England Guild of Vergers. If you have any good ideas or recommendations to what I have come up with so far, I would appreciate your thoughts. Please either write or call me. If you know of an artist friend, or a design studio, who could render a good, clean, copy of my idea, or some other idea, please let me know.
