

**POSSIBLE ORGANIZATIONAL TITLES**

In the process of developing all these ideas for an official organization of Vergers in the United States, I have been playing around with titles for such an organization. Below are ideas that I have come up with so far. Do you have any thoughts or ideas? Do you particularly like any of the ones below? Please give me your thoughts and ideas and suggestions! I will start a Savings Account here in Nashville for the collection of membership dues and contributions; and I need a name to put on the Account. Please let me have your VOTE!
